IN THE HIGH COURT OF DELHI AT NEW DELHI
(ORIGINAL CIVIL WRIT JURISDICTION)
WRIT PETITION (CIVIL) NO. 3984 OF 2016

IN THE MATTER OF-

Krishna Murari Lal Asthana & another

Petitioners

Versus

Life Insurance Corporation of India & another

Respondents

**AFFIDAVIT OF COMPLIANCE ON BEHALF OF
LIFE INSURANCE CORPORATION OF INDIA TO THE
ORDER DATED 12.07.2016 PASSED BY THIS HON'BLE
COURT.**

I, Rashmi Singh, Secretary (Legal), LIC of India, Central Office Cell,
H-39, Connaught Circus, New Delhi-110001, do hereby solemnly
affirm and sincerely state as follows:

1. That I am authorized to swear this affidavit on behalf of the Respondent Corporation in the present Writ Petition and am well conversant with the facts and circumstances of the case, and am competent to swear this affidavit.
2. I state that I have read and understood the contents of the instant affidavit and the same is correct to the best of my knowledge and belief based on the records and the submissions contained therein are based on legal advice which I believe to be true and correct.

3. That the Hon'ble Supreme Court vide judgment dated 31.03.2016 in Civil Appeal Nos. 8959-8962 of 2013 while remitting the Writ Petitions filed by the petitioners herein before various High Courts to the Hon'ble High Court of Delhi at New Delhi was pleased to direct the respondent Corporation as follows:

"Keeping in view the totality of facts and circumstances of the case, it is hereby directed that the Corporation shall pay 40% as per Para 3A of the Appendix to each of the employees within six weeks and shall file an affidavit before the High Court of Delhi to the said effect. The Corporation is at liberty to withdraw the amount deposited in the Courts so that it can pay the employees who have retired. Needless to emphasize, the aforesaid payment shall be subject to final results in the writ petitions."

4. That in compliance with the order dated 31.03.2016 passed by the Hon'ble Supreme Court in Civil Appeal Nos. 8959-8962 of 2013, the respondent Corporation on 08.07.2016 filed an affidavit in compliance of the order dated 31.03.2016, passed by the Hon'ble Supreme Court.

5. That on 12.07.2016 this Hon'ble Court after going through the said compliance affidavit filed by the Respondent Corporation held as follows:-

"We are not satisfied with the affidavit filed by the Life Insurance Corporation of India in compliance with the directions given in paragraph 27 of the aforesaid judgment of the Supreme Court. The Life Insurance Corporation will file a detailed affidavit within 7 days clearly stating that they have

complied with the direction given by the Supreme Court to pay 40% as per para 3A of the appendix to each of the employees (pensioners) within six weeks. The manner in which computation has been made for payment of 40% of the amount as per para 3A of the appendix would be stated. The affidavit would also specify whether the pensioners have been disbursed the amount payable to them."

6. Hence the instant affidavit is being filed by the respondent Corporation in compliance of the order dated 12.07.2016 passed by this Hon'ble Court.
7. The Hon'ble Supreme Court, vide order dated 31.03.2016, directed as follows:

26. "..... The purpose of saying all this is as the learned counsel for the respondents would agonizingly contend that the amount of pension the respondents are getting is a paltry sum and it is difficult to sustain in the present day. That apart, the Corporation should have been gracious enough to recognize the services rendered by them and the Union of India should have come with an affirmative response when the resolution was passed by the Corporation. We have already adjudicated the said facet, but as we are remanding the matter to the High Court on a different count. In such a situation, we are of the convinced opinion that the respondents should get certain amount as an interim measure. We had already directed by the order dated 7th May, 2015 that the Corporation shall pay 20% amount to the individual employees. Mr. Kaul, learned Additional Solicitor General would submit that the Corporation has already deposited the entire amount without the pay revision before the High Courts of Rajasthan and Punjab & Haryana at Chandigarh are concerned regard being had to the order of this Court. As far as the High Court of Delhi is concerned, employees have been paid 20%, as directed by

this Court. The said fact is disputed by learned counsel for the respondents after obtaining instructions. The said aspect shall not detain us, for what we are going to direct in praesenti.

27. Keeping in view the totality of facts and circumstances of the case, it is hereby directed that the Corporation shall pay 40% as per Para 3A of the Appendix to each of the employees within six weeks and shall file an affidavit before the High Court of Delhi to the said effect. The Corporation is at liberty to withdraw the amount deposited in the Courts so that it can pay the employees who have retired. Needless to emphasize, the aforesaid payment shall be subject to final results in the writ petitions."

8. That the Hon'ble Supreme Court vide order dated 07.05.2015, directed release 20% of the amount as per the impugned judgments, the same is reproduced herein below for the sake of convenience as under:

"As an ad-interim measure, it is directed that the petitioner-Corporation shall release 20% of the amount as per the impugned judgments pertaining to the High Court, in favour of the respondent-employees within six weeks hence, subject to final result in the appeals. If any amount, that has been deposited before the High Court pursuant to the order passed by this Court, 20% of the same shall be released in favour of the Life Insurance Corporation of India, so that it can pay to the concerned employees. In case, where the amount has not been deposited, needless to emphasize, the Corporation shall pay and question of any kind of withdrawal from court does not arise. Needless to say, the payment in continuum shall be considered when the appeals are taken up for hearing."

9. The impugned order in the above directions of the Hon'ble Supreme Court is the decision of the Hon'ble High Court of

Rajasthan dated 12.1.2010 wherein the Hon'ble High Court directed as under:

"In the facts and circumstances of the case, I am of the view that resolution passed by the Board of LIC does not need approval of the Central Government thus the Corporation may give effect to its resolution dated 24.11.2001 to avoid discrimination amongst existing pensioners.

In light of the discussion made above, both the writ petitions are allowed. The respondent Corporation is directed to take a decision for implementation of the resolution dated 24.11.2001 passed by the Board."

10. Thus, the interim relief is the difference of pension and dearness relief calculated as per the said Board Resolution. The Board Resolution approved the proposal contained in the Board Note and the the proposal contained in the Board Note is as follows:

"It is suggested that the following updation formula to upgrade the basic pension/family pension in respect of employees who have retired between 1.1.1986 to 31.07.1997 may be adopted:

(a) The basic pension/family pension payable in relation to AICPI 600 points or 1148 points, as the case may be, shall be upgraded by merging the Dearness Relief payable upto AICPI 1740 points; and

(b) on the pension so upgraded, Dearness Relief of 0.23% of basic pension shall be paid or become recoverable for every 4 point rise or fall of AICPI from 1740 points."

11. It is further submitted, that Para 3A referred to in by the Hon'ble Supreme Court reads as under:

"3(A) In case of employees who have retired or died on or after the 1st day of August 1997, the dearness relief shall be payable for every rise or to be recoverable for every fall, as the case may be, of every 4 points over 1740 points in the quarterly Average Consumer Price Index for Industrial Workers in the series of 1960 = 100. Such increase or decrease in dearness relief for every said 4 points shall be at the rate of 0.23 per cent of the Basic Pension;"

12. That Para 3A provides for the rate of dearness relief for the employees who retired/died on or after 01.08.1997 shall be 0.23% for every 4 point rise or fall of AICPI from 1740 points. The said rule provides for the Rate of Dearness Relief for employees who retire after 01.08.1997.
13. The Pre 01.08.1997 retirees had retired with their pay scales linked to AICPI 600 points or 1148 points. These retirees had drawn the average pay as per the pay scales applicable on their date of retirement. As a corollary, they are drawing pension which is also linked to AICPI 600 point or 1148 points and the rate of Dearness Relief is also linked to the relevant index points. As per Para 3, the rates of dearness relief for these retirees are as under:

Retirees whose date of retirement is between 01.08.1992 to
31.07.1997
(Table A)

Scale of basic pension per month (Linked to AICPI 1148 points)	The rate of dearness relief as a percentage of basic pension
(i) upto Rs.2400/-	0.35 percent

(ii) Rs.2401 to Rs.3850/-	0.35 percent of Rs.2,400/- plus 0.29 percent of basic pension in excess of Rs.2,400/-
(iii) Rs.3,851 to Rs.4,100/-	0.35 percent of Rs.2,400/- plus 0.29 percent of the difference between Rs.3,850 and Rs.2,400/- plus 0.17 percent of basic pension in excess of Rs.3,850/-
(iv) above Rs.4,100/-	0.35 percent of Rs.2,400/- plus 0.29 percent of the difference between Rs.3,850 and Rs.2,400/- plus 0.17 percent of the difference between Rs.4,100/- and Rs.3,850/- plus 0.09 percent of basic pension in excess of Rs.4,100/-

Retirees whose date of retirement is between 01.01.1986 to 31.07.1992
(Table B)

Scale of basic pension per month (Linked to AICPI 600 points)	The rate of dearness relief as a percentage of basic pension
(i) upto Rs.1250/-	0.67 percent
(ii) Rs.1251 to Rs.2000/-	0.67 percent of Rs.1250/- plus 0.55 percent of basic pension in excess of Rs.1250/-
(iii) Rs.2001 to Rs.2130/-	0.67 percent of Rs.1250/- plus 0.55 percent of the difference between Rs.2000 and Rs.1250/- plus 0.33 percent of basic pension in excess of Rs.2000/-
(iv) above Rs.2130/-	0.67 percent of Rs.1250/- plus 0.55 percent of the difference between Rs.2000 and Rs.1250/- plus 0.33 percent of the difference between Rs.2130/- and Rs.2000/- plus 0.17 percent of basic pension in excess of Rs.2130/-

14. At present, the pensioners are drawing Dearness Relief as per Table A (linked to 1148 index points) or Table B (linked to 600 index points) depending on their date of retirement.
15. As per the order of Hon'ble Supreme Court dated 31.03.2016, the dearness relief is to be calculated as per Para 3A of pension rules. As submitted earlier, Para 3A stipulates the rate of Dearness Relief @ 0.23%. The rate of 0.23% has been determined by the Central Government with reference to AICPI 1740 points.
16. It is submitted that to apply the rate of 0.23% to pre-01.08.1997 retirees, it is necessary to upgrade their existing pension/family pension and link it to AICPI 1740 points. To link their pension to AICPI 1740 points, it is necessary to merge the dearness relief which they have drawn upto 1740 points (i.e. DR actually drawn on 01.08.1997) in their existing basic pension. The said formula for upgradation has been approved through the Board Resolution as mentioned in the foregoing para:

The Interim Relief of 40% as per Para 3A of the Appendix has been calculated as under:

- i. **Step I** – DR drawn as on 1/8/1997 on existing basic pension/ family pension is calculated with reference to Table A or B depending on the date of retirement of the pensioner.
 - ii. **Step II** – Revised Pension = Existing Pension + DR calculated as above
-

- iii. **Step III** – Revised Total Pension = Revised Pension as above + DR as per Para 3A
- iv. **Step IV** – Difference between of Revised Total Pension and Existing Total Pension is calculated for each month from August 1997 till March 2016
- v. **Step V** – Sum total of Monthwise difference is the 100% of the amount.
- vi. **Step VI** – 40% of the amount as above is the Interim Relief payable in terms of the order dated 31.03.2016.

Example of Pensioner retired between 1992 to 1997

Calculation of revised pension	
Pensioner's Name	Shri R M Handa
Date of Retirement	30/09/1995
Average Pay as on 31/12/1996 (linked to AICPI 1148 points)	9200
Pension = 50% of average pay	4600
Pension Commenced from	01/10/1996
Existing Basic Pension	4600
Dearness Relief as on 1.08.1997 as per Table A	1996
Revised Basic Pension = (Pre-revised Pension plus Dearness Relief at 1.8.1997)	6596 (4600+1996)

(Petitioner under SBCWP 654 of 2007)

The Revised Basic Pension taken by the Corporation to calculate 40% interim relief	6596
--	------

Difference of Total Pension is calculated as under:

Existing Total Pension = Existing Basic Pension (Rs. 4600) (+) DR
as per Table 'A' above.

Revised Total Pension = Revised Basic Pension (Rs. 6596) (+) DR
as per Para 3A

Difference of Total Pension = (Revised Total Pension for that month
calculated as above (-) Existing Total Pension drawn by the
pensioner for that month)

The calculation sheet as an illustration in respect of Shri R M Handa
(Petitioner under SBCWP 654 of 2007) giving month wise difference
of pension, total amount of difference of pension (100% of the
Amount) and 40% Interim Relief payable to the said Petitioner is
enclosed herewith and marked as **ANNEXURE A**.

It may be seen that the 100% Amount in respect of Shri Handa
comes to Rs. 1,46,909/- and 40% interim relief comes to Rs. 58764/-.
As an amount of Rs. 19806/- was already paid as 20% interim relief,
the balance amount of Rs. 38958/- has been paid vide voucher No
527 dated 13.05.2016 in compliance of the order of Hon'ble
Supreme Court.

Example of Family Pensioner retired between 1986 to 1992

It is submitted that the Board Resolution approved the same formula
for calculation of Revised Family Pension for the family pensioners.
The family pension in respect of Pre-01.08.1997 retirees have been
calculated following same steps given above:

Calculation of revised pension / family pension	
Pensioner's Name	Late Shri KPS Pokarana
Family Pensioner's Name	Smt. M S Pokarana
Date of Retirement	31/03/1990
Average Pay as on 31.03.1990 (linked to AICPI 600 points)	4202
Pension = 50% of average pay	2101
Pension Commenced from.	01/11/1993
Date of Death	January 2012
Family Pension commenced from	January 2012
Last Pay Drawn (March 1990) (linked to AICPI 600 points)	4780
Family Pension (15% of Last Pay Drawn i.e. 4780 into 15%)	717

Calculation of Revised Basic Pension

(Relevant for the period from 01.08.1997 till December 2011 when the pensioner was alive)

Existing Basic Pension	2101
Dearness Relief on Rs. 2101 as on 01.08.1997	
Rate of DR as per Table B = 0.67% upto 1250, 0.55% for (2000-1250) & 0.33% for (2101 – 2000) = 12.8333	3657.49
No. of DR slabs as on 1.8.1997 = 285	
DR = 12.8333* 285 = 3657.49	
Revised Basic Pension = (Pre-revised Basic Pension plus Dearness Relief as on	5759 (2101+3657.49)

01.08.1997)	
The Revised Basic Pension for calculation of 40% interim relief from 01.08.1997 till Dec. 2011	5759

Calculation of Revised Family Pension

(Relevant from January 2012 i.e. after the death of the pensioner)

Family Pension (existing)	717
Dearness Relief on Rs. 717 as on 01.08.1997	
Rate of DR as per Table B – 0.67%	1369.11
No. of DR slabs as on 1.8.1997 = 285	
DR = 717 * 0.67% * 285	
Revised Family Pension = (Pre-revised Family Pension plus Dearness Relief as on 01.08.1997)	2087 (717+1369.11)
The Revised Family Pension for calculation of 40% interim relief	2087

The calculation sheet in respect of the above pensioner i.e. Late Shri KPS Pokarana is enclosed herewith and marked as **ANNEXURE B**.

17. It may be observed that the Difference Pension for the period when the pensioner was alive is positive and 40% of the total amount has been paid to the Family Pensioner. It may also be observed that Difference of Family Pension is negative (which is taken as zero in the calculation sheet as no recovery of family pension has been effected) though Revised Family Pension (Rs. 2087) is more than the Existing Family Pension (Rs. 717). Ignoring the negative figures, 40% Interim Relief of

Rs. 6910 was paid by the Corporation vide voucher No. 526 dated 13.05.2016 in compliance with the order dated 31.03.2016 of Hon'ble Supreme Court.

18. The Dearness Rate Table 'A' & 'B' may be perused. It may be seen that the dearness relief rate applicable to pensioners who are drawing pension/family pension upto the initial slab is a Flat Rate and, hence, they are not affected by the tapering DR formula since their pension/ family pension is below the initial slab.

Date of Retirement between	Applicable DR rate as per	Pension/ Family Pension upto	DR on Pension at Flat Rate of
August 1992 to July 1997	Table A	Rs. 2400	0.35%
January 1986 to July 1992	Table B	Rs. 1250	0.67%

19. Thus, the pensioners, who are already drawing a Flat Rate of DR (0.35% or 0.67%) as their pension/ family pension is below the initial slab indicated in the above table, are not affected by the tapering DR formula. Application of DR under Para 3A does not benefit them since they already drawing Flat Rate. Hence, the difference of pension/family pension in respect of these pensioners is in slightly negative. However, the Corporation has protected their existing family pension while calculating 40% interim relief and has not effected any recovery for the period for which the revised total pension is less than pre-revised total pension.

20. Except for the above pensioners, other Pre-01.08.1997 pensioners/ family pensioners are drawing DR on pension/family pension at Tapering Rate and, hence, application of Para 3A is beneficial for them as Para 3A allows Flat Rate of DR.
21. It is submitted that the calculation of interim relief has been done in terms of order dated 31.03.2016 of Hon'ble Supreme Court and the payment has been made to the pensioners/ family pensioners who have been found eligible for the same. A summary of the amount paid to the petitioners as per judgment dated 31.03.2016 passed by the Hon'ble Supreme Court in Civil Appeal Nos. 8959-8962 of 2013 is enclosed herewith and marked as **ANNEXURE C**.
22. The Corporation through the deponent further craves indulgence of this Hon'ble Court to produce the soft copy of the calculations of 16000 pensioners by way of a CD as and when directed by this Hon'ble Court. It is done since the hard copies will run into thousands of pages which would be burdening the Registry of this Hon'ble Court. If this Hon'ble Court so desires, hard copies of the same will be filed before this Hon'ble Court.
23. That the contents of the affidavit are bonafide and the same is correct to the best of my knowledge and belief.

DEPONENT

VERIFICATION:

Verified on this the 22nd day of July 2016 at New Delhi that the contents of the above affidavit are facts true to my knowledge and belief and nothing material has been concealed therefrom.
