Re: Group Mediciam Policy for employees and retired employees.

GIPSA has issued circular dated 28th February 2015 informing that their Governing Board has approved the following in respect of the subject matter:

- 1) Coverage of fully dependent disabled children of retired employees, in addition to self and spouse, and bearing 75% premium for such coverage by the Company. "Dependent disabled children" shall mean:
 - (a) Physically handicapped children, or
 - (b) Mentally retarded children fully dependent on retired employee, irrespective of age.
- 2) Coverage of independent children also under GMC policy, both for serving and retired employees, on full premium for such coverage being borne by the employee, and
- 3) Granting one last chance to the left over retired employees who could not opt last year for coverage under GMC policy.

You are requested to inform all offices under your jurisdiction to ensure to inform about this last option to all such retired employees who are not covered under Group Mediciam Policy. Communications may be sent through Pensioners' Association, by mail or on phone to such retired employees, without fail.

Kindly display this circular prominently on Notice Board of all offices under your jurisdiction for information of all employees and retired employees.
