Sub:- inordinate delay in crediting family pension to annuitant of Oriental Insurance Co. .

Sir,

We are registered Trade Union organization working for the pensioners/retirees of Public Sector General Insurance companies' retirees for last twenty-two years.

Earlier we had approached the E. D. for delay in credit of annuity of the pensioners of Oriental Annuitants with some other issues.

The issue of delay in credit of pension in the account of Family Pensioners of Oriental Insurance Co. Ltd Delhi is agitating Family pensioners for months now.

On Our registering protest for such abnormal delay with the oriental management, we are informed that the delay is on the part of LIC. **It was also informed to us that it is not an isolated case but there are more than three hundred Family pensioners issues are pending with LIC P & GS dept.**

You are aware that pension ought to be released in time & regularly for survival of the pensioners. The amount of Family pension is abnormally low for survival. Such abnormal delay of months together is threatening the very life of the Family pensioners numbering above three hundred.

We are therefore approaching you to take immediately steps to credit the Family pension.

While on the subject we also request you to provide from 16 for filling Income Tax returns of the annuitants. This is either not provided or provided late by your Delhi Office.

A line is reply will be highly appreciated

Yours sincerely

U Banerjee
General Secretary
